TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added.
- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th revised Page 14 cancels the 3rd revised Page 14. Because of the various suspension periods and deferrals the Commission follows in its tariff approval process, the most current page number on file with the Commission is not always the tariff page in effect. Consult the check sheet for the page currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2
2.1
2.1.1
2.1.1.A
2.1.1.A.1 . .
2.1.1.A.1.(a)
2.1.1.A.1.(a).I
2.1.1.A.1.(a).I.(i)
2.1.1.A.1.(a).I.(i).(1)
- D. Check Sheets** - When a tariff filing is made with the Commission an updated check sheet accompanies the filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There shall be no other symbols used on this page if these are the only changes made to it. The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Commission.

2.10 Refunds or Credits for Interruptions (Cont'd)

2.10.2 It shall be the obligation of Customer to notify Company immediately of any interruption of Service (as defined in the applicable Service Agreement) for which a credit is desired. If Customer reports an interruption in Service to Company and the affected **Service** is not restored (as defined in the applicable Service Agreement) within two hours of such report, Customer shall, upon request directed to the Customer's designated customer service representative, receive a credit at the rate of $1/720$ of the monthly recurring charges applicable to Service directly affected by such interruption for each hour or fraction thereof, over the initial two hours, during which service is interrupted.
